Protecting Your Pump

Hale High-5 Warranty

High-5 Warranty

The highest performing pump in the industry is now backed by the best warranty. Only Hale offers the High-5 Performance warranty — our unmatched 5 years of warranty coverage on truck mounted fire pumps.

STANDARD NO CHARGE

HIGH-5 PERFORMANCE WARRANTY

Covers “PARTS AND LABOR” for two (2) years or 2000 hours usage starting from the date the original buyer takes delivery or 2-1/2 years from the date Hale ships the unit, whichever period is the first to expire.*

AND

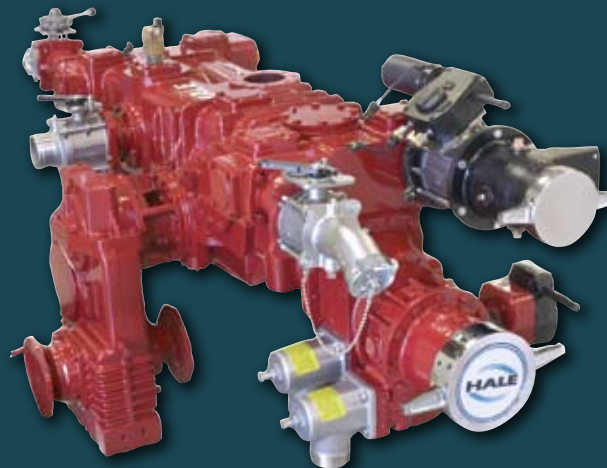

Covers “PARTS ONLY” for an additional three years. That’s **five (5) years total warranty coverage** (or 5,000 hours usage) starting from the date the original buyer takes delivery or 5-1/2 years from the date Hale ships the unit, whichever period is the first to expire.*

**Portable and float pumps, CAFS and Foam products, valves, non-fire service applications, skids and trailer products sold by Hale are not covered by this warranty document.*

With Hale you get a total performance warranty which covers parts for 5 years and includes labor for the first two years. Hale’s exclusive High-5 Performance Warranty provides excellent protection for your pump.

If you want even more protection, Hale also offers an extended Pro-Tech labor warranty.

Make your choice the right one – choose Hale.

Pro-Tech Warranty

If you want additional coverage on your pump, Hale’s **Pro-Tech Extended Warranty Program** offers an exceptional value in additional long-term protection and peace of mind on Hale truck mounted pumps beyond the standard warranty period. The Pro-Tech Extended Warranty covers **LABOR** for the additional periods you select. You choose the level you need.

Pro-Tech Extended Warranty

1 Year Extended Warranty \$250

Covers labor for an additional year

2 Year Extended Warranty \$750

Covers labor for two additional years

3 Year Extended Warranty \$1500

Covers labor for three additional years

With Hale’s Pro-Tech Warranty, you get additional labor coverage for years three through five, your choice. Hale exclusively offers extended Labor warranties.

Whichever term you choose, you’ll get extra warranty coverage on labor — and lots more time to make the most of it.*

**Pro-Tech warranty must begin within sixty days of placing your new pump in service.*
